

Nuclear Physics Conference 2025

Wednesday, 23 April 2025

IOP Prize Winners - Engineering A Theatre B (2A.041) (10:00 - 10:30)

| time | [id] title | presenter |
|-------|----------------------------------------------------------------|----------------|
| 10:00 | [8] Data-driven approaches to learning about nuclear structure | JENKINS, David |

Thursday, 24 April 2025

IOP Prize Winners - Engineering A Theatre B (2A.041) (09:00 - 10:30)

| time | [id] title | presenter |
|-------|-----------------------------------------------------------------------------------------------------------|-------------------|
| 09:00 | [9] TBC | BRUCE, Alison |
| 09:30 | [10] Direct measurements of astrophysical reactions with radioactive beams | WILLIAMS, Matthew |
| 10:00 | [11] Calorimeter Construction for Luminosity Monitoring at the Electron Ion Collider | SMITH, Alex |
| 10:15 | [12] Development of a gamma radiation detector system for localisation and mapping of distributed sources | SETSO, Refilwe |
