

International Workshop on Very High Energy Electron Radiotherapy (VHEE'25)

Monday, 15 September 2025

Setting up the scene for VHEE (09:10 - 10:50)

-Conveners: Deepa Angal-Kalinin

time	[id] title	presenter
09:10	[10] Introduction and progress towards technology readiness	JONES, Roger
09:35	[11] Clinical perspective of VHEE	LOO, Billy
10:00	[12] Medical physics aspects	SCHUELER, Emil
10:25	[13] Investigating the biological effects of beam parameters to guide technological developments for clinical applications.	VOZENIN, Marie-Catherine

Setting up the scene for VHEE (11:15 - 12:00)

-Conveners: Deepa Angal-Kalinin

time	[id] title	presenter
11:15	[14] VHEE program at Curie including the clinical perspectives	CRÉHANGE, Gilles
11:35	[46] Discussion	ANGAL-KALININ, Deepa
