

Neutrons and Muons for Energy Materials Research

Report of Contributions

Contribution ID: 1

Type: **not specified**

Introduction to ISIS Neutron and Muon Source

Thursday, 12 February 2026 14:00 (15 minutes)

Presenter: JONES, Martin

Contribution ID: 2

Type: **not specified**

Neutron diffraction for energy materials

Thursday, 12 February 2026 14:15 (15 minutes)

Presenter: WOOD, Tom

Contribution ID: 3

Type: **not specified**

Neutron spectroscopy for energy materials

Thursday, 12 February 2026 14:30 (15 minutes)

Presenter: RUDIC, Svemir

Contribution ID: 4

Type: **not specified**

Neutron imaging for energy materials

Thursday, 12 February 2026 14:45 (15 minutes)

Presenter: BRITTO, Sylvia

Contribution ID: 5

Type: **not specified**

Muons for energy materials

Thursday, 12 February 2026 15:00 (15 minutes)

Presenter: BAKER, Peter

Contribution ID: 6

Type: **not specified**

Applying for time at ISIS

Thursday, 12 February 2026 15:15 (15 minutes)
