

Session Program

11 September 2026

Cylindrically Symmetric Strong Focusing of positive particle beams

Orientation

Institute of Physics, Lecture Theatre
37 Caledonian Road London N1 9BU UK

Friday 11 September

10:00

10:10

Orientation: Welcome and introduction

Session | **Location:** Institute of Physics, Lecture Theatre, 37 Caledonian Road London N1 9BU UK

16:00

16:30

Orientation: Wrap up session outlining next steps and output (white paper)

Session | **Location:** Institute of Physics, Lecture Theatre, 37 Caledonian Road London N1 9BU UK
