

Session Program

11 September 2026

Cylindrically Symmetric Strong Focusing of positive particle beams

Novel concepts

Institute of Physics, Lecture Theatre
37 Caledonian Road London N1 9BU UK

Friday 11 September

11:45

12:20

Novel concepts: Hybrid focusing

Session | **Location:** Institute of Physics, Lecture Theatre, 37 Caledonian Road London N1 9BU UK | **Conveners:** Charlotte Palmer, Satya Kar
