### M-03: Superconductor stability, AC losses and electromagnetic properties (14:30 - 15:30)

time	[id] title	presenter
14:30	[31] M-03: 078 - Cold test and analysis AC losses in compact 2G HTS power cables	
15:10	[33] M-03: 178 - Optimum rate of charging and discharging cycles of HTS-SMES magnets
