

Lecture 9: Case study - Complex systems

Thursday, 25 November 2021 09:00 (30 minutes)

- Introduction to RefNX
- Building a model in RefNX
- Custom models: mixed area, non-slab models ??
- Modelling roughness
- Fitting strategies and pitfalls
- Error analysis

Presenters: NELSON, Andrew; WELBOURN, Becky (STFC); COOPER, Jos (STFC); SKODA, Maximilian (STFC)

Session Classification: Morning Session
