

## Scattering from ordered and magnetic systems part 2

*Tuesday, 8 February 2022 14:15 (45 minutes)*

- The different kinds of scattering (coherent, incoherent, elastic, inelastic, nuclear spin incoherent)
- Introduction to Neutron Spin, Polarisation and Magnetic Scattering
- Halpern Johnson vector
- Examples

**Presenter:** Dr ALBA VENERO, Diego (ISIS Neutron and Muon Source)

**Session Classification:** Webinars
