Privacy Policy

It is pointed out that the information to data subjects given herein refers and is limited exclusively to the data processing as necessary to provide the services provided through the Debtor Portal.

The Portal is accessed through the Controller's web site , where you can find the Privacy Policy, which we invite you to read.

Personal Data source and purposes of their processing

Personal data - yours and, under appropriate proxy, also of persons (natural or legal) on whose behalf you intend to make electronic payments (hereinafter "Personal data") are provided by you during registration with the Debtor Portal and, afterwards, when you make, on various grounds, electronic payments.

Personal data are processed exclusively with the purpose of managing the payment system, as well as of carrying out related and ancillary activities, such as updating the information concerning you, enforcing the rights of the Data Subject and complying with obligations laid down by the law.

Personal data are collected also from third parties, where it is lawful and instrumental to the service provision.

Legal basis of processing

The Personal Data processing for the purposes set out in the section above is based on (i) the legitimate interest of the Controller, (ii) the carrying out of an activity related to the exercise of official authority vested in the Controller, as well as on (iii) complying with obligations laid down by applicable laws, regulations or by the European Union legislation.

Nature of the Personal Data provision

Provision of the Personal Data is necessary because it is instrumental to making electronic payments through the Debtor Portal, as well as required in
