

15th International Conference on Muon Spin Rotation, Relaxation and Resonance

Contribution ID: 331 Contribution code: STD-2

Type: Oral

Computational techniques to support muon science

Sunday, 28 August 2022 10:00 (25 minutes)

Primary author: LIBORIO, Leandro (Scientific Computing Department, Rutherford Appleton)

Presenter: LIBORIO, Leandro (Scientific Computing Department, Rutherford Appleton)

Session Classification: Student Day
