

# 15th International Conference on Muon Spin Rotation, Relaxation and Resonance

## Tuesday, 30 August 2022

### Facility Updates: Facility Updates I (Hybrid) (14:20 - 15:05)

-Conveners: Iain McKenzie

| time  | [id] title  | presenter            |
|-------|---|----------------------|
| 14:20 | [241] Present status of J-PARC MUSE                                       | SHIMOMURA, Koichiro  |
| 14:35 | [322] TRIUMF Centre for Molecular and Materials Science Facility Overview | Dr KREITZMAN, Sydney |
| 14:50 | [197] Progress on Muon Source Project at CSNS                             | BAO, Yu              |

### Facility Updates: Facility Updates II (Hybrid) (15:15 - 15:30)

-Conveners: Iain McKenzie

| time  | [id] title                                | presenter      |
|-------|---|----------------|
| 15:15 | [311] Status of $\mu$ SR facility in RAON | Dr LEE, Wonjun |

### Facility Updates: Facility Updates III (Hybrid) (15:50 - 16:30)

-Conveners: Iain McKenzie

| time  | [id] title                                   | presenter                      |
|-------|--|--------------------------------|
| 15:50 | [333] Status of the Swiss Muon Source at PSI | PROKSCHA, Thomas               |
| 16:05 | [337] ISIS Facility Report                   | BAKER, Peter<br>WATANABE, Isao |
| 16:20 | [341] Final Discussion                       |                                |
