

Muon User Meeting 2023: celebrating the work of Pabitra Biswas

Monday, 11 September 2023

Superconductivity I (11:20 - 12:40)

-Conveners: Toni Shiroka

time	[id] title	presenter
11:20	[13] Noncentrosymmetric, nonsymmorphic, triplet and singlet: the complex soup giving rise to superconducting magnetism	Dr QUINTANILLA, Jorge
11:40	[12] Pabitra, Superconductivity, Muons and the University of Warwick	Dr MAYOH, Daniel
12:00	[9] Muon stopping states in superconductors with time-reversal symmetry breaking	Dr HUDDART, Benjamin
12:20	[10] Intrinsic magnetism in superconducting infinite-layer nickelates	Dr SUTER, Andreas
