

# Muon User Meeting 2023: celebrating the work of Pabitra Biswas

## Tuesday, 12 September 2023

### Superconductivity II (14:00 - 15:20)

-Conveners: Adrian Hillier

time	[id] title	presenter
14:00	[6] Time-reversal symmetry breaking in the superconducting low carrier density quasi-skutterudites	Dr SINGH, Ravi Prakash
14:20	[7] Probing the Superconducting Gap Structure in the Noncentro symmetric Topological Superconductor ZrRuAs and HfRuP	Dr ADROJA, Devashibhai
14:40	[14] Superconductors without inversion symmetry: expectations and surprises	Dr SHIROKA, Toni
15:00	[15] Muon-spin relaxation studies of time-reversal symmetry breaking in superconductors	Dr SMIDMAN, Michael
